

You Can Help Others

Shalom Counselling is a not-for-profit charity that receives financial support from individuals, businesses, organizations and churches in order to operate. Your donations can make a significant difference in providing affordable and accessible counselling services. Your support subsidizes the cost of service for those who cannot pay the full counselling fee. Tax receipts are issued for all contributions.

Grants from the United Way and The Region of Waterloo also assist in subsidizing the provision of service to those with low incomes. An endowment fund with Mennonite Foundation of Canada helps to ensure the long-term stability of the organization. Please contact our office for more information about Shalom's Endowment Fund.
